

# Division Three Candidate

*Justin Krakowka*

---

My name is Justin and I have lived in Ponoka County for the last 8 years. My wife and I have been married for 4 years and we have a little boy. We like to keep busy with our dog, chickens and I operate a small custom livestock business all while working full time on two dairy farms. I have made the decision to run for Ponoka County Council because I am looking for a way to serve my community. I believe Ponoka County is a great place to live and raise a family, with a lot of potential and I want to be a major part in that future.

## **What I Want to Achieve as a Councillor**

I want for all of Ponoka County residents to know their voice is being heard in the decisions being made by council.

I will look into any possible improvements that can be made in regard to road conditions. I think there is a great potential for Ponoka County to advertise location opportunities for new businesses. In saying this, I also believe we need to make sure we look at current businesses located in Ponoka County and make sure they can succeed coming out of this pandemic.

By electing me as councillor you will get an eager public servant looking to improve the lives of Ponoka County Residents. Someone who is always around to have a conversation and a completely open-door policy. Division 3 is a very diverse population therefore it has diverse needs. It is my hope to meet the needs through conversing and acting on the needs of the residents in this area.
