NOTICE OF PROPOSED AMENDMENT TO THE LAND USE BY-LAW

Ponoka County Council intends to amend the Land Use By-Law to regulate the location, safety, nuisance and impact of commercial wind energy conversion systems (WECS). Developers would still be required to host public meetings for each application to allow for proper public consultation.

Before making a decision on the amendment, Council will hold a public hearing at which any person may ask questions or state their opinion. This hearing will be held at 11:00 a.m. on April 21, 2016 in the Chambers of the Ponoka County Office, 4205 Highway #2A in Ponoka.

The proposed by-law may be viewed at the County Office or will be mailed, emailed or faxed to anyone who requests it.
