

**DUST CONTROL**  
**PROGRAM**  
**2026**

County residents requiring dust control on roads adjacent to their property can select either calcium chloride or oil to be applied to the road surface.

**This year applications will be accepted starting April 1/26 and closing May 18/26. There will be only one round of application starting June 1/26 weather permitting.**

This season there will be a **subsidy of \$275.00** available per **residence for Calcium**. The County will supply the grader to do the work and any water or gravel that is necessary to make the application work. Minimum of 400' required. **Cost to resident would be \$299.25**

**Extra footage will be \$1.40 per foot plus GST.**

Oil based on 400 ft. **\$10.73 per foot** (plus GST). This amount will vary as supply demands change. Minimum of 400' is required. **Cost would be \$4294.40 the County will rebate \$2.00 per foot, so the cost to resident would be \$3494.40 (plus GST).**

If you are interested in this service, arrangements for stakes to be picked up and payment for the application can be made at the time of the request with Lorna at the Ponoka County Office. Payment has to be made prior to application.

**April 1/26**

## **Re Dust Control**

**This year our dust control program will be open for applications starting April 1, 2026 and will close May 18, 2026. There will be only one round of application this year which will start June 1, 2026 weather permitting.**

**Enclosed please refer to the cost for the residence form included along with the application form.**

**If you are interested in dust control fill out the application and return to me.**

**Payment can be made online like a bill payment using 999999999 as the account number, mail in a cheque or drop in to the office to pay.**

**And if you have stakes left over from last year, put them up at the desired length and placement.**

**Or you can come into the office to pick some up.**

**The one time application will be at the end of May weather permitting**

**Questions please call Lorna at the County Office.**

## **DUST ABATEMENT**

I hereby apply for \_\_\_\_\_ feet of Calcium/Oil dust control on the road running N/S or E/W \_\_\_\_\_ of land location \_\_\_\_\_

Blue Sign \_\_\_\_\_

I have paid \$ \_\_\_\_\_ for this service. Receipt \_\_\_\_\_

I understand and agree that Ponoka County may grade that portion of the road which was dust controlled as the County deems necessary in order that roads are maintained in a safe and reasonable condition.

I further understand and agree that Ponoka County shall not be held responsible for replacing or repairing any dust-controlled portion of the road in the future. We do not guarantee the longevity of either the Calcium or Oil.
