NOTICE OF AMENDMENT TO THE LAND USE BY-LAW

Revisions to the Airport District

The Council of Ponoka County is proposing to pass **By-Law 33-26-A** to amend its current Land Use By-Law. The purpose of this amendment is to update regulations governing the development and operation of local airport properties within the County.

Following a comprehensive review of the Airport District, the County is updating its framework to facilitate the operations and development of licensed airports. The revised district accommodates compatible aviation, commercial, residential, service, and accessory uses that support the airport community and regional economic development.

The proposed amendment will affect the following Land Use By-Law sections:

- **Section 712 (Airport District):** Amends the district guidelines to streamline development and permitted/discretionary uses.
- **Section 102 (Definitions):**
  Adds a number of airport-specific definitions to ensure legislative clarity.

A copy of Proposed By-Law 33-26-A is available for review by the public. You can access the document by the following methods:

- **Online:** Visit the County website.
- **By Request:** Contact the Administration Office to have a copy sent directly to you via mail, email, or fax.

Council has scheduled a public hearing at which any person claiming to be affected may ask questions or make comments. This hearing will be held **at 11:15 a.m. on November 10, 2026** in the Chambers of the Ponoka County Office, 4205 Highway #2A in Ponoka. You may forward your comments/concerns prior to the meeting by phone, fax or email as noted below.
