

In Loving Memory
Evelyn Jean Seelen (McMullen)
June 20, 1956 - April 6, 2026

Evelyn was born on June 20, 1956, in Milton, Ontario. She was raised in rural Ontario, where she developed the strong work ethic and resilience that would guide her throughout her life. She later moved to Alberta with her young family, where she built a life rooted in dedication, family, and community.

She is lovingly remembered by her sons, Jason (Marnie), Casey (Tina), and Dave (Michelle); her cherished grandchildren, Mackayla (Steven), Morgan (Austin), Kale (Morgan), Breanna, Joeli, Gavin (Aliya), Cierra, and Scarlett; and her treasured great-grandchildren, Kinley, Olivia, Alyssa, Serena, Theo, Aubrey, and Archer, with another beloved great-granddaughter soon to arrive.

Evelyn is also survived by her mother, Jaqueline (Rick) Bender; her brothers, Dave (Brenda) McMullen and Dan (Deb) McMullen; and her sister, Deb (Gary) Bast, as well as her nieces and nephews, all of Ontario. She was predeceased by her father, David McMullen.

In 2000, Evelyn began her career with Ponoka County as a scale operator at the Bluffton Landfill. Through dedication, knowledge, and determination, she became Waste Management Supervisor in 2009. In this role, she proudly oversaw and operated an A-Class landfill, earning the respect of her colleagues and community alike. She took great pride in her work and was known for her strong leadership, dedication, and commitment to doing things right.

Evelyn was a woman of quiet strength and unwavering determination. She was a hard worker who never gave up until she found a solution, and someone others could always count on. Generous to a fault, she would give you the shirt off her back and always put others before herself. Above all, she was deeply proud of her family, and her greatest joy came from watching her children, grandchildren, and great-grandchildren grow.

Her impact was profound, and she will be deeply missed every day, forever.
